MEMORANDUM FOR: [REDACTED]
Procurement Management Staff, OL

FROM : John F. Blake
Deputy Director for Administration

John:

1. I am not sure if a copy of Harry Fitzwater's paper on your contribution to "The Field Station of the Future" has come to your attention. Per chance that it has not, there is a copy attached for you.

2. May I extend my compliments to you for your fine contribution. You have obviously brought high credit to yourself and, therefore, indirectly to the Directorate. I am happy for both facts.
